**Re Item V**

**Reasoned statement with regard to novelty, inventive step or industrial applicability;  
citations and explanations supporting such statement**

1. Reference is made to the following document:  
D1 (closest prior art): US-A-3 478 670
2. The object of the present invention is to provide a beverage brewing device which is simple and rational in the operation and construction thereof owing to various functions being combined and integrated in view of reducing minimizing the number of moving parts of the device to a minimum.

The subject-matter of document D1 discloses (cf. Fig. 1 - 4) a beverage brewing device showing all the features of the preamble of independent claim 1 of the present invention.

The characterising features of independent claim 1 are neither known nor rendered obvious from the available prior art documents.
